MODULAR FURNITURE FOR  
INDOOR & OUTDOOR LIVING

**VLAZE ADAPT** is an innovative collection of modular and freestanding furniture that can be moved freely from indoors to outside.

Designed for outdoor living these pieces offer the perfect solution for food preparation and al fresco dining.

The kitchen modules are engineered from stainless steel and adorned with a vitreous enamel surface while the dining tables and planters use a combination of aluminium, steel and vitreous enamel. This durable, weather proof enamel surface finish is guaranteed for 25 years and is created by fusing powdered glass to steel at temperatures in excess of 800°C. The result is a luxurious vibrant glaze that is heatproof, hygienic and stain resistant.

VLAZE is British made on the Isle of Wight by the makers of the iconic signage for the London Underground and the Paris Metro.

## *“kitchen units that adapt to your cooking and lifestyle”*

### DESIGNED FOR BEAUTY

VLAZE surfaces are uniquely inviting. The high gloss vitreous enamel is wonderfully tactile, encouraging a hands-on approach that lends creative expression to the food you love. From rolling out dough to scattering flour or drizzling olive oil, you'll find your VLAZE unit and it's durable, easy-clean surface adapting to your cooking and lifestyle.

### MADE FOR ENTERTAINING

Take your dining al fresco, ADAPT units form the centrepiece to gather friends and family around. Simply wheel into position on your terrace, deck or balcony and you have the perfect station for preparing food, serving meals and hosting drinks. Ample internal storage teamed with ingenious magnetic pots mean everything is close to hand – preventing interruption to your flow.

### BUILT TO LAST

It's rare that something beautiful can offer so much practical functionality. The standout build quality makes VLAZE ADAPT kitchen units beloved pieces of furniture that quickly become an indispensable part of modern outdoor living.
